

Agility Fairs & Events Switzerland

Combines local knowledge with global presence

Fairs & Events Service

Agility Fairs and Events is one of the world's leading exhibition forwarding specialists, handling more than 1,000 major trade fairs, exhibitions, and events each year. We make sure the show always goes on – tight shipment schedules and multiple venue stops none withstanding. With experts positioned on-site at major locations to set up and close out, specialized handling and transportation capabilities, Agility stands ready to assist.

Exhibition Services

Logistics support for events organizers and exhibitors to ensure that the exhibits are delivered to the booth on-time and in-perfect condition.

Services include consulting and planning, exhibits management, promotional material handling, temporary office set-up, storage prior to exhibition, delivery to the exhibition site, on-site handling, storage of empty cases during the show period, and repacking and delivery to the next destination by air, sea, or road.

Events Services

Logistics support for performing arts and events, including musicals, concerts, and plays, and facilitating global rollouts, multi-market tours, simultaneous product launches and major presentations.

Services include efficient, cost-saving logistics planning, completion of temporary or final customs clearance, storage and transportation to venues, freight management and delivery coordination, transport and event insurance coverage, packing, unpacking, positioning and installation, and door-to-door delivery.
