## *Agility's Delivery Expertise on Display*

### **The Challenge**

The special design exhibition booth or pavilion must be set up within the given time frame during the move-in period of the exhibition. It is critical to the mission that the stand materials are shipped from the country of production and delivered on-site as scheduled without delays. Agility's expertise in planning and managing stand material shipments at the most reasonable cost is second to none.

### Agility Solutions

Standbuilders Services involve total logistics support for any stand contractor shipping a complete booth overseas for exhibitions. Agility provides detailed logistics planning and management from the time the stand materials are being fabricated up to the time they are ready to ship. Customs documentation and importation requirements are processed in advance. Agility's comprehensive service package includes:

- Consulting and Planning
- Transportation of Stand Fittings to/from Site
- Transshipment by Sea or Air
- On-site Services
- Storage of Containers, Cases, Pallets and Toolboxes
- Unstuffing and Restuffing of Containers on-site
- Disposal Services

### The Agility Benefits

Agility applies our local knowledge and global service competence to ensure the best possible results for each fair project. We transport your stand fitting materials from the point of origin to the stand on time, with professional and well-trained workers and state-of-the-art equipment. You can have peace of mind knowing that all your logistics problems are being handled professionally. You can leave the planning and coordination with the exhibition organizer and venue operator, and your valued exhibition materials to Agility. We know all the major exhibition venues in the world and have moved most kinds of equipment and stand building materials into and out of them.
