

Document Legalization Services

Swiss-origin cargo to Middle Eastern destinations

Your experts for the Middle East

Agility Switzerland's solutions include efficient document legalization services for Swiss-origin cargo to Middle Eastern destinations.

Our team has over 20 years of experience in offering tailor-made services to companies working in various industries (e.g. – nutrition, pharma, manufacturing, etc.). By drawing on our expertise and careful attention to detail in connection with our long-term relationships and close proximity to the embassies in Geneva and Bern, we have successfully legalized over 100,000 documents since we began offering this service.

Agility is an active member of the Arab-Swiss Chamber of Commerce and Industry located in Geneva.

Document approval and legalization service for:

- Invoices and packing lists
- Certificates of origin (COO)
- Health certificates
- Radiation test certificates
- Dioxin free certificates
- Chamber of commerce documents issued by Arab-Swiss Chamber of Commerce and Industry
- Various attestation of export documents
- Certificates of pharmaceutical products (CPP)
- Shipping documents

Trade Lane Service

As Switzerland and Middle East share an important Trade Lane, Agility provides the vital link between these two trading partners for businesses of all sizes. Agility's regional freight and distribution hub serves the Middle East and Africa with warehousing, freight, transport and specialty logistics. Our 104,500 sqm warehouse operation includes ambient, chilled, pharma grade and frozen storage.

Agility brings efficiency to supply chains everywhere we operate with our unmatched personal service, global footprint and customized services.
