Warehousing

From the largest 3PL warehouse in the country, Agility delivers cost effective logistics solutions tailored to KSA's industrial, retail, fashion and oil & gas businesses. Shipments from country of origin into KSA are handled at our hub in Riyadh. A 50,000 sqm state-of-the-art, temperature-controlled warehouse and more than 870,000 sqm of secure, open yard space satisfy customers' storage needs. Our logistics experts in 3 locations around the country bring the full power of Agility's assets to customers seeking to build efficient, transparent end-to-end supply chains.

Doc. Legalization

Agility provides document legalization in order to save time and focus on other critical areas of their business.

Agility Switzerland solutions include efficient document legalization service, required for Swiss origin cargo to Middle Eastern destinations.

E-mail us your legalization request – Swisslegalization@agility.com
