

LCL Direct Services

Europe to USA - Direct is Better

Agility's LCL Direct Services The Shortest Route between A and B

Overview

In today's challenging supply chain environment, Agility is here to provide you with solutions that leverage the most direct LCL ocean services available. Unprecedented delays in border crossings and congested port operations make direct consolidation services from inland points a very good option for time sensitive LCL shipments to the United States. Agility offers 64 distinct weekly consolidation services from 20 points in 16 countries in Europe to 14 points in the USA. We have a direct service for you.

On-Time Delivery

Our most direct vessel rotations from Europe to the US come with preferred space allocation and priority loading as well as expedited discharge and de-vanning to ensure that your freight will arrive on time and ready for delivery throughout the US.
