## About Agility

Agility helps customers navigate Cambodia's logistics infrastructure challenges. Our cost-effective cross-border trucking service enables the movement of goods in and around Southeast Asia, connecting Vietnam and Cambodia with Malaysia, Singapore, Laos and Thailand. Agility's customs experts work with customers to avoid potential delays caused by ambiguous regulations and bureaucratic processes. Our vetting and compliance processes help expedite approvals. Dedicated fairs & events specialists provide customs guidance and on-site support to many international events hosted in our world cultural capital.
