

Express LCL Europe to USA

Delivering your Goods on Time

Overview

Customers with high-priority LCL shipments can leverage Agility's new Express LCL Services from Europe to the US. Applying the highest industry standards to ensure shipment handling & safety, Express LCL includes top quality ocean transportation services coupled with expedited processing to decrease the overall transit time from origin to destination.

Agility is offering this service alongside its existing Standard LCL ocean freight services.

On-Time Delivery

Our most direct vessel rotations from Europe to the US come with guaranteed space allocation, priority loading, above deck stowage and priority discharge to ensure that your freight will arrive on time and ready for expedited delivery throughout the United States.
