

Agility is a global leader in supply chain services, infrastructure and innovation, and a pioneer in emerging markets. Agility’s portfolio of companies include the market leading logistics parks business in the Middle East and Africa, one of the world’s fastest-growing aviation services companies, a liquid fuel logistics business, and a commercial real estate business. Other Agility Group companies offer customs digitization, remote infrastructure services, digital logistics and ecommerce enablement. Agility is an investor in innovation and sustainability, with a growing portfolio of listed and non-listed investment partners looking to reshape their respective industries. Agility is a publicly-listed company on the Kuwait and Dubai stock exchanges.
